

# PLANT SALE

**NATURE CENTER OF CAPE MAY**

Your gardens will be the buzz, tweet, and talk of the neighborhood when you get off to a good start with top-quality plants! We emphasize the use of New Jersey native plants, which benefit wildlife and have a strong ornamental appeal for your landscape. Non-native (but non-invasive) perennials and annuals, which offer an added boost to butterfly gardens, will also be available. A list of plant expected to be available can be found on our web-page at [www.njaudubon.org/centers/nccm](http://www.njaudubon.org/centers/nccm)

\*Availability based on supplier's yield\*

**May 20 and 21, 2017**

**10:00am to 4:00pm**

**1600 Delaware Avenue Cape May, NJ 08204**

**609-427-3045**
