## ***Path to Discovery***

*By participating in this program you will be supporting the  
New Jersey Audubon Society  
Nature Center of Cape May's  
Children's Garden at the  
new Trucksees Environmental Center*

*The center of the Children's Garden will host a path for our visitors to follow in learning the beauty and value of our fragile environment. Here children can learn about our local marine life and our area's diverse natural history.*

*The Commemorative Brick Program is a wonderful way to memorialize a loved one, give a special gift to a special friend, remember a cherished pet, or commemorate a special occasion.*

*Place your name, a loved one's name or your company's name as one who loves the Nature Center and all it represents.*
