

NEW JERSEY AUDUBON

Digital Photography Workshop 5: Digital Editing 2 Led by Phil Witt & Jack Moskowitz, Associate Naturalists

Change this...

...to this!

Workshop 5 will be a continuation of the digital editing principles covered in the previous workshop. Emphasis will be on some advanced procedures, such as layer masks. Participants are encouraged to bring their own images on flashdrives for editing demonstrations.

When

Saturday, January 13, 2018 (1:00pm to 3:30pm — please note new time)

Where

Scherman Hoffman Wildlife Sanctuary, 11 Hardscrabble Road, Bernardsville, NJ, 07924

Cost & Registration

\$12 members; \$25 non-members.

Please call 908-396-6386 to register by January 11, 2018
