

# NEW JERSEY AUDUBON

## Make Your Own Rain Barrel

Workshop led by Gigi Graham, Americorp Watershed Ambassador

Make your own rain barrel at this workshop, at a fraction of retail cost, and save water at home! Did you know that during a 1 inch rainstorm 623 gallons will run off a 1000 square foot roof? Wouldn't it be great to collect some of that water and use it to water your gardens or wash the car? Storm water can create problems with flooding, erosion, and washing pollutants into our waterways. Rain barrels are part of the solution! For ages 16 and older; under 16 must be accompanied by an adult (we will be using simple power tools). Limit 12 barrels.

### When

Saturday, March 17, 2018. (1:30pm to 3:30pm.)

### Where

Scherman-Hoffman Wildlife Sanctuary, 11 Hardscrabble Road, Bernardsville, NJ 07924

### Cost per barrel & Registration

\$27 per rain barrel.

Registration required March 15, 2018: please call 908-396-6386 to register.
