

FIBER ARTS IN NATURE SERIES

Exhibit will run Nov 3–Dec 30

Sat., Nov. 12 2:00 – 4:30

Felted Wool bowls with natural dyes –

Create a decorative bowl using white and natural dyed fleece. Bring some old towels and a tray with a lip. Requires lots of hand pressure with hot, soapy water, but the results are delightful.

Limit - 8 You must preregister

Fee \$20 members \$30 non-members

Sat., Dec. 10 2:00 – 4:30

Quilling Ornaments with a Natural Theme

Quilling is the art of rolling thin strips of paper into different shapes and using the shapes to form designs. Learn how to make the basic shapes. Then, choose your design from patterns supplied, or come up with your own pattern to make a nature themed ornament. All paper strips, patterns and quilling tools supplied.

Limit – 10 You must preregister

Fee \$10 members \$15 non-members

Sat., Jan. 14 2012 2:00 – 4:30

Handmade Craft Paper from Shelf Fungi

Using just the fungus and water, you will create small pieces of hand-crafted paper. Using molds and deckles and different kinds of fungi, many colors of paper will be created. Bring a small plant press if you have one, newspapers for pressing and some pieces of old sheets.

Limit – 8 You must preregister

Fee \$15 members \$25 non-members
