Paint Your Own Gourd Birdhouse

Workshop led by Bonnie O'Connor & Stephanie Punnett, Program Director

Paint your own gourd birdhouse for the cavity nesting birds returning from their winter home this spring! No experience necessary! Retired art teacher Bonnie O'Connor, with 40 years of experience, will give a short art lesson and help you along with your painting. We will start our program with a short presentation about gourds and how to grow them. Hang your decorative gourd birdhouse in your backyard, and a bluebird, chickadee, wren, nuthatch, titmouse, or maybe even a tree frog might move in! Limit 15 gourds.
